The message was 'be Vigilant, be Informed, be Prepared - A better internet starts with you'.

This seminar covered everything one needed to know to start a process to make this message a reality in your school. The seminar will inform attendees about the issues children in your care might face, how to promote positive use of the internet among staff and pupils, and practical ways to ensure that teachers and schools are protected from online negativity and abuse.

THIS SEMINAR WAS SUITABLE FOR ALL SCHOOL PRINCIPALS, TEACHERS,
COUNSELLORS, TEACHER EDUCATORS AND RESEARCH SCHOLARS
